### Senior Web Developer - CMW

March 2010 - May 2012

At CMW I worked with major clients such as Kelloggs, Peugeot, Allied Bakeries(Kingsmill, Allinson), Citroen, Cadbury and Nivea. Whilst working there I have created HTML emails, Facebook applications, CMS-controlled websites and used responsive development on the Trebor and Creme Egg websites for displaying mobile.

[www.brothercider.co.uk](http://www.brothercider.co.uk)

### Web Developer - Digital and Direct

March 2009 - March 2010

At DAD I built the company website, a pharmacy support website for GSK, SKY HTML email templates and a money management tool with heavy jQuery functionality for J.P. Morgan.
